MOST WANTED AWARD-WINNING FLOWER & PRE-ROLLS

Explore our legacy and discover the excellence we cultivate. Available in 1/8 and 1/2 ounce bags and pre-rolls in one- and two-packs – 14-Pre-roll Posse Packs are coming soon!

Whitethorn Rose

Huckleberry Hills Farm

Sativa · Paradise Punch x Lemon OG

Whitethorn Rose has a dramatic purple color, and smells of earth, lavender, and cream. This strain tastes sweet, fruity, citrus, berry, and hashy

Award-Winning Whitethorn Rose – Genetics by Huckleberry Hills Farms

Mom's Weed

Huckleberry Hills Farm · Sativa Hybrid

Pheno of Paradise Punch x Lemon OG

This sister of Whitethorn Rose has dense trichome nuggets featuring floral, lemon and berry notes with earthy undertones upon exhale

Mom's Weed, Huckleberry Hills Farm Genetics, Sativa

Forbidden Funk via Paradise Pine

Huckleberry Hills Farm

Paradise Punch x Whitethorn Rose

Unique complex terpene profile tastes like she smells – unmistakable fruity and floral flavors and piney menthol

Cel-Ray

Purple City Genetics

Sativa Hybrid

Lemon Tree Skorange x GovernMints Oasis

Cel-Ray offers an amazing flavor – a sour and citrusy lemon-orange flavor with hints of sugary tropical fruits and a touch of mint. A giddy high that is perfect for a lazy morning when you need to get up and moving but don't have much to do.

Head Hunter

Purple City Genetics

Indica Hybrid

Legend OG x Gush Mints

Headhunter has a high THC content, with a powerful, intense and long lasting effect that makes the mind go into a bubble and the body enter a very stony state. Piney, sweet, diesel flavor throughout.

Head Hunter, Purple City Genetics, Indica Hybrid

Lime Street

Purple City Genetics

Indica · Key Lime Pie x Street Guru

This bud has a loud sweet lemony-lime flavor with a lightly woody pine exhale. The aroma is much like a pine forest, with hints of fresh earth around.

Miracle Candy

Purple City Genetics

Indica · Pre 64 Runtz x Street Guru

Candy sweet with a gas and doughy mint finish. Beautiful bag appeal with prismatic and dense buds with shades of green and purple under ample trichomes.

Orange 76

Purple City Genetics

Sativa Hybrid

[Orange Cookie Dough x Motorbreath 15] x

Moroccan Peaches

Super loud nose with a sweet and subtle citrus finish – the Orange 76 high will hit you square between the eyes as soon as you exhale, jolting the brain awake with a burst of happy energy that may get your mental gears turning.

Platinum Bird

Purple City Genetics

Indica Hybrid · Hybrid Gelato 33 x Gush Mints

Platinum Bird has a creamy taste and a strong gassy terpene with very aromatic hard buds and a really appetizing appearance due to its morphology and color. It produces powerful and extremely relaxing effects.

Ruby Violet

Purple City Genetics

Indica Hybrid · Grapenana x Gush Mints

Ruby Violet stands out with its captivating aroma, featuring sweet and fruity notes with diesel and earthiness. The dominant terpene of this strain is myrcene, contributing to its calming and soothing properties.

Ruby Violet, Purple City Genetics, Indica Hybrid

Space Station

Purple City Genetics

Indica Hybrid · Super Sonic x GovernMints Oasis

Space Station's aroma profile includes intense gasoline aroma with fruity and spicy nuances with citrus undertones. Users report effects of euphoria, energy, and creativity.

MOST WANTED™

Criminally Good Bud!

Whitethorn Rose Pre-roll – Genetics by Huckleberry Hills Farms

Velvet Lushers

Purple City Genetics

Indica Hybrid · Gushers x Gush Mints

High testing and loaded with trichomes, Velvet Lushers' minty gassy aromas stand out over the floral pine and lavender terpenes. With sweet flavor, it produces an effect with a cheerful and energetic quick high at low doses.

Biscotti Lantern

Guerrilla Forager · *Indica · [(Gorilla Glue*

x Green Lantern)] x Green Lantern x Biscotti
Fully loaded with gas and pine to deliver a strong indica flavor. The Lantern has power and impact — a high tester at over 33%! It will increase appetite, bring focus and mental clarity — great for relaxation and sleep.

Biscotti Lantern, Guerrilla Forager Genetics, Indica

Jelly Donutz

Humboldt Seed Company

Indica / Sativa Hybrid · Runtz x Hella Jelly

Trichome loaded Jelly Donutz has the perfect mix of sweet cotton candy and fuel terpenes. Aromas of caramel, and gassy octane, are present as well.

Jelly Donutz, Humboldt Seed Company Genetics, Indica / Sativa Hybrid

Blue Dream

Lantern Farms

Sativa · Blueberry x Haze

Blue Dream offers a sweet, berry flavor with herbal and piney undertones. Its calming, clear-headed effects make it ideal for stress relief without sedation, making it appealing to both novice and experienced users.

Ruby Violet, Purple City Genetics, Indica Hybrid

California Pineapple

Mothers Genetics

Sativa Hybrid

California Pineapple flowers bear both skunky and sharp scents of pineapple, as well as notes of other tropical fruits. It works well to combat mental stress and fatigue, and it also alleviates pain, cramps, and muscle spasms.

California Pineapple, Mothers Genetics, Sativa Hybrid

Starfruit

Hogwash Pharms

Sativa Hybrid · Fruitloop x Stardust

Starfruit is true to its name with a fruit-punch and candy nose, amazing tropical fruit flavor with a light gassy exhale. This bud is sedative and yet also motivating

Quantum Kush

Hogwash Pharms · Sativa

[Sweet Irish Kush x Train Wreck] x LA Confidential

This heavy hitting sativa features an uplifting citrus blend upfront and a gassy/diesel finish. While the effects are strong, Quantum Kush provides relaxed while motivated high.

Quantum Kush, Hogwash Pharms Genetics, Sativa

Stardust

Hogwash Pharms

Blue Cheese x Starfruit

Classic flower with a blue cheese to citrus nose producing a nice smooth and energetic high — good for a beginner user or older folks who prefer a lighter high.

Ratioed CBD-THC flower provides a more balanced, less euphoric high than THC-dominant strains.

AC/DC x Cannatonic

Hogwash Pharm

Sativa · AC/DC x Cannatonic

Super dense buds with a sweet rose geranium and forest scent. Great for a night out on the town and not on the couch!

Cannatonic x Ringo's Gift

Hogwash Pharms

Sativa · Cannatonic x [Harla Tsu x AC/DC]

Chunky denser buds with a grapefruit and rose nose — this bud is used for stress, anxiety or mood release.

Freedom Baby x Sour Tsu

Hogwash Pharms

Sativa · Harliquin x Joseph OG

Sweet earthy, summer flowers and spring punch with a CBD dominant ratio that is sure to set your mind and body free!

Freedom Baby x Sour Tsu, Hogwash Pharms

Harla Tsu

Hogwash Pharms

Sativa Hybrid · Harlequin x Sour Tsu

Sweet carrots and sage nose, with a hint of fruit. Relaxes anxiety with an outgoing non-euphoric high — perfect for the conscientious user and great for family gatherings.

Mountain Medicine

Hogwash Pharms

Sativa · Harlox x FruitLoopz

Mountain Medicine's Nose is a scent of over-ripe fruit with a hint of orange blossom. Dense and rich cannabis nuggets sure to change your attitude, this strain leaves you excited about the future!

Award-Winning Mountain Medicine, Hogwash Pharms Sativa
